

AVON, SOUTH DAKOTA - JULY 6, 2000

The Avon City Council meet for a special meeting on the above date at the Avon Public Library at 7:00 p.m. Roll Call: Alderman Dertien, Den Ouden, Kuhlman, and Tjeerdsma. Also present was Police Chief Luke.

Meeting called to order by Alderman Dertien, Vice President of the Council.

Discussion was held on the vaccination clinic that is being held in town. Some complaints had been received by the Council. Luke will talk to those needed to see what the problem is. It was also discussed to have these vaccination clinics once a year and have the Tyndall and Wagner Vet Clinic alternate doing the service if they are interested.

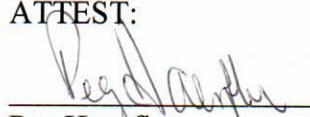

Hodgman & Sons Co. is hauling water and is getting the water out of the City hydrant. It was felt that the company is wasting a lot of water on the ground. The Council will wait and see how things go this week and possible will have the company load behind the city shop. If the company is allowed to continue to fill from the hydrant the Council wants a second person at the hydrant to shut the water off.

Discussion was held on how to handle situations when people are told not to do something and they still do it. No action was taken.

There being no further business to come before the Council at this time a motion by Kuhlman and seconded by Tjeerdsma to adjourn at 7:40 p.m. All voted "aye". Motion carried.

Ronald Dertien - Vice President
